Out to the life and ministry of Hudson Memorial Presbyterian Church (USA)

A Spectacular Youth Fundraiser

Last Sunday, April 16, the HMPC Youth hosted a Variety Show & Chili Cookoff. There was a large selection of chili and desserts that the congregation enjoyed as they watched youth and adult members of the church sing, dance, tell stories, and play instruments. Around 100 people attended and funds were raised for youth summer retreats and mission trips. Of the total expenses that are needed for two summer trips (which include full and partial scholarships, $150 per youth to subsidize cost, and for 6 adults to attend as advisors), around 50% was raised at the Spice It Up Spectacular! Thanks to everyone who contributed, from the chefs to the bakers, to the youth volunteers, and the variety show acts!

A special thanks to Jenn Autry and Elizabeth Peeler for their leadership and execution. Additionally, we want to thank Sean Cole for his humor and professional presence!

Upcoming Event at White Memorial

Theatrical Performance & Discussion with a Focus on Race in America

White Memorial is hosting "The Talk: with Dr. Sonny Kelly", and has invited Hudson and other churches to attend. "The Talk" draws on the voices of ancestors, elders, youths, and intellectuals to engage in the difficult conversations that we must have with our children about race as we prepare them to survive and thrive in a polarized America. This eclectic one-man-show weaves together interactive theater, a dynamic embodied performance (Dr. Kelly playing over 20 characters), poetry, and a multimedia production with American history and literature. "The Talk" is appropriate for adults and young people 10+ years old.

Dr. Sonny Kelly is a world class performer, story teller, motivator, speaker, and comedian. Written and directed by Sonny Kelly, this dynamic experience is a must-see for audiences of every demographic!

ABOUT "THE TALK"

Dr Kelly explains, "*The Talk* was born of a painful conversation that I had to have with my son upon hearing about protests and riots in the streets of West Baltimore, MD, in the wake of Freddie Gray's death in 2015. I had no choice but to explain the cause of all of this mayhem. Ultimately, it was a black man. Looking into the back seat, I beheld a beautiful black boy, who would one day grow up to become a black man - a black man, who would look an awful lot like the pictures I had seen on CNN of the now deceased Freddie Gray. I realized then that it was time to have a father-son "talk" about identity and survival."

This experience includes a post-show talk-back and pursues three objectives: to mobilize performance toward the end of developing a consciousness around race issues in America today; to incite action toward more just, equitable, and honest interpersonal interactions in our society; and finally, to give voice to an anguish that parents of color, and especially parents of black boys, endure daily.

Learn more about Dr. Kelly and this event here.

Note that there is no charge, but online registration is required using the link provided. If anyone would like to carpool, contact Debbie Kirk at dkirk@hmpc.org

Nine O'Clock Class

April 23 and 30, May 7

Facilitated by Susan Bradshaw and Linda Meeks

The 9:00am class resumes April 23 in Room 200. All are welcome to attend regularly or on a weekly basis. The time works especially well for those who have worship preparation commitments at 10:00am.

We continue the theme of ***Pilgrimage***. Content is provided by video presentations from contemporary progressive theologians in the areas of Bible, Faith and Practices. Our first discussion is led by Rev. Nadia Boltz-Weber, *Cross: Where God Is* and in the season of Easter invites us to reflect on the impact of the cross on our own journeys.

Upcoming conversations :

4/23 - Immigration
4/30 - Hunger
5/7- Simpler Living
5/14 - Healthcare

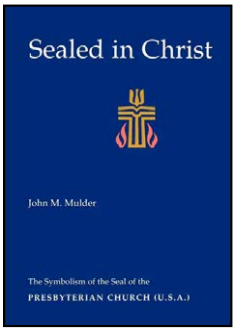
The Seekers

9:30am Sunday | WH South

April 23 and 30

Facilitated by Susan Grigg



In 1983 John Mulder was asked to chair the task force that presented the seal of the reunited Presbyterian Church (USA) to the General Assembly for approval. In his book, *Sealed in Christ,* Dr. Mulder recounts the biblical explanations behind the elements chosen and the symbolism of the design of the seal that we see today. Can you see the open Bible in the seal? How about the pulpit? What do the flames represent? We'll be using Mulder's book as we look at the seal and the Scripture that inspired the task force to include that element as part of the seal of the Presbyterian Church (USA).

Waking Up With The Word

Tuesday, April 25 | 6:30am | Patio

All men are invited to join this group for scripture reflection, discussion, fellowship and coffee. The group uses an ancient Bible study process called Lectio Divina.

The study revolves around 3 questions:

What is a word or phrase that stands out to you?

Allow that word or phrase to develop into a memory from your life, a thought on the passage or a metaphor.

What is Christ calling you to through the passage?

No previous Bible study experience is needed. It is a great group of guys who are welcoming and wise in their comments. For our in-person meetings, coffee and Bibles are provided. If you have questions or would like to be added to the email distribution list, please contact Mac Schafer.

Women at the Well

Our next monthly group meeting will be April 27 at 6:00pm. We will use a podcast as the basis for discussion over dinner at a local restaurant. For more information or to participate in the group contact Debbie Kirk at dkirk@hmpc.org.

Congregational Meeting

THIS SUNDAY, APRIL 23

A congregational meeting has been called for **Sunday, April 23rd** following worship in the Hudson Sanctuary. The agenda for the meeting is set by the Session and is as follows:

- The election of the next class of elders, deacons and nominating committee members
- A report on the 2022 end-of-year financials
- A brief "State of the Church" address from the pastor

The Nominating Committee (elected by the congregation) puts forth the following individuals for election:

Elder Nominees

KEN KRAUSE

Family: Ken is married to Susan Krause and has two grown daughters: Mary Glenn and Talley, both of whom grew up at Hudson.

Work Experience: After graduating from UNC's Pharmacy School, Ken went directly to work for Eli Lilly & Co., enjoying over 30 years in a variety of positions, retiring June 30, 2018. He continues to keep his hand in pharmacy, volunteering on occasion, and working as a certified vaccinator.

Interests and Hobbies, Community Activities, Civic Clubs: Aside for cheering for the Wolfpack and the Tarheels, Ken spends his free time making sawdust, working with his hands, finding innumerable ways to take forever to finish home projects, allowing his dog Ginny to think she's the one who's teaching Ken obedience and chasing around the occasional golf ball. He continues his Dad's passion for blood donation, especially when he's able to give with Mary Glenn at UNC. Ken loves time with his 3 girls, his in-laws, and traveling with Susan to whatever exotic location she picks, including Gastonia.

Church Activities, Committees and Service: Ken served HMPC in a variety of committees over the years and is currently working on Finance. He enjoyed many years on the Property Committee, looks forward to the annual HMPC mission trip, and loves singing with the Chancel Choir. If accepted, this will be his second term as an elder at Hudson.

HMPC Membership: The Krause family has grown with HMPC since becoming members in 1999.

CAROLINE SMART

My husband David and I moved back to North Carolina in 2010 after 20 years in Denver, Colorado. Our three children had all left the nest and were settling all over the country, so we decided it was time to come back home.

David and I were both raised in Southern Baptist churches but joined a Presbyterian (USA) church in Denver. Our children were very involved in church life there and that is where I first became an elder. When we left Colorado, I was serving on the Personnel Committee and that is where I picked up when we joined HMPC in 2011.

This will be my second stint as elder here at Hudson. I have enjoyed serving on the Personnel Committee, and as liaison to Giving Ministry and Foundation. I am also on the Covid-19 Sub-Team. I enjoy watching the young families join and worship with us. I am especially happy to have my daughter's young family here with us now.

I am still working for the NC Department of State Treasurer, and hope to continue to do so for some time, but my true call is to my family and my 5 beautiful grandchildren. Grammy is my most important title.

DAN VIG

Family: I have 2 kids who grew up in the Hudson community. Zach is 21 and a junior at UNC-Chapel Hill. Ellie is 19 and a freshman at Chapel Hill. Go Heels!

Work: Since 1999 I have been blessed to work as a general surgeon at UNC Rex Hospital as a member of North Carolina Surgery.

Interests/Hobbies: I enjoy music, physical fitness, travel, home improvement, reading, spending time with my family and partner. For three years I served on the advisory board of the Finley YMCA. I have been involved with four mission trips to Guatemala with a group called Global Health Outreach.

Church Activities: Over the years, I have served as elder, deacon, usher, Sunday school teacher, mission committee member, pianist, men's club leader. I have enjoyed several trips to Avery County to assist with Habitat for Humanity projects and to help at Grandfather Home.

HMPC membership: Since 2000

JOHN T. WILLIAMS

Family: Malcolm and Elaine Williams moved their family of three children--Deirdre, John, and Alan--to Raleigh in the summer of 1960. John grew up in Raleigh, joined Hudson Memorial in March, 1969, and married Lisa on December 10, 1988 at Hudson Memorial.

Education and Work Experience: John spent his freshman year at the University of Michigan as a music major, which included marching in the Michigan Marching Band. He changed majors, graduated with a Bachelor of Science degree in Zoology, moved to Seattle, Washington, and then taught himself computer programming while working in a medical laboratory. He returned to Raleigh after three years, and began working at Management Systems Associates where he could be a full-time programmer. John travelled extensively throughout the eastern United States for five years developing, installing, and supporting hospital patient billing software and general accounting software. He and Lisa had a temporary assignment for about two years in Santa Rosa, California implementing and supporting Order Entry systems and Hospital Information Systems. They returned to Raleigh where their son Matthew was born. Matthew lives and works in Washington, DC and is also a Hudson member. John's focus shifted to designing components of the clinical documentation system used in physician offices. John retired in 2021 after a 39-year career in healthcare information technology.

Community Involvement, Hobbies, and Interests: John was a Cub Scout Den Leader, Assistant Scoutmaster and then Treasurer of his and Matthew's Boy Scout Troop, and was Treasurer of his Property Owner's Association in Madison County, NC. John and Lisa were active Marching Band parents for four years at Wakefield High School. John currently enjoys bicycling, cooking, and is particularly enthusiastic about fly fishing.

Church Service: John joined the Hudson Handbell Ringers in September, 2013. He believes that he is sufficiently able-bodied at present to ring the bass bells and hopes that others find the ensemble's music spiritually uplifting.

Deacon Nominees

WINTER FOX

Family: I am very lucky to be married to Barbara Loehr-Fox, HMPC's director of music! We love serving God together with music. We enjoy taking long walks by the Eno river near our new home in Durham. We have two dogs, Venus and Serena, who bring us much joy, and work keeping their fur off our clothes!

Work Experience: I am retired from 36 years working in the film industry. I was an "Art Dog" on many films and T.V. shows providing decor, props, and special effects. Currently, I am a real estate media specialist with Next Door Photos in Raleigh.

Hobbies: I enjoy cooking, drinking great coffee, astronomy, throwing pottery, reading, and working around the house.

Church Activities: I served as a Deacon, Stephen Minister, New Member Ministry Leader, Audio/Visual Provider, Arts Camp Counselor, and, of course, Choir member/Bell ringer for our previous church, Mt. Pleasant Presbyterian Church. Here at HMPC, I sing in the Chancel choir, play in the Bell choir, and contribute my talents to Arts Camp. I am very excited to serve as a deacon with HMPC!

Membership: Joined HMPC in September 2022.

JUDIE GREENAWALT

Family: I grew up in Muncie, IN. I hold a B.S. Degree in Business/Marketing from Miami University (OH). I moved to Raleigh from Chicago in 2003, after taking early retirement from my retail career. I currently share my home with my 13 year old rescued Beagle, Jake. My sister and brother-in-law live in Wake Forest. Proud aunt and great aunt!

Work experience: Department store manager, buyer for 34 years in Cincinnati, Peoria, IL, St. Louis, and Chicago. Real estate broker for 13 years in Raleigh. Retired in 2018.

Interests and Hobbies, Community Activities, Civic Clubs: I'm an avid reader, especially suspense and mysteries. I enjoy swimming and walking. I've been playing fantasy football for 20+ years in my family's league, plus the family football and March Madness Brackets pools. I've been a volunteer at the Museum of History since 2003, Newcomers Club of Raleigh, and Church Women United.

Church Activities, Committees and Service: I was ordained as a Deacon in 2013; currently serving as Deacon Moderator. Chair the Memorial Services Guild; Treasurer, Presbyterian Women; Chancel Choir president; Worship Committee; Women at the Well, both a.m. and p.m. Have served on the Stewardship committee (Giving Ministry), and Music Director Search Committee.

HMPC Membership: I joined Hudson in 2005 because it is such a welcoming community of faith. I felt immediately "at home."

Officer Nominees *(continued)*

JILL HOVIS

Family: Husband Allan, four grown children (one living in Fuquay) and four grandchildren in NJ and MD. We have a lovely new daughter-in-law serving with my son in El Salvador.

Work Experience: I served as a resource and classroom teacher with an outreach of Westminster Presbyterian that became Loaves and Fishes and then was a member of The Raleigh School for 16 years. Mom.

Interests, Hobbies, and Community Activities: I read historical fiction, love visiting living history museums and battlefields, volunteer with political campaigns, and take classes through OLLI at NCSU. HMPC Membership: Joined in the early 90s as a newlywed.

MARY SCHINDO

Family: I have been married to Glenn Schindo for 35 years and we have two wonderful daughters, Abbie and Jenna.

Work Experience: I have been working as a litigation paralegal since 2010, and prior to that I had a career in advertising as a media director at a small advertising agency. During the years between my two careers, I enjoyed staying home with the girls and occasionally working as a substitute teacher.

Interests and Hobbies, Community Activities, Civic Clubs: I really enjoy spending time outdoors either walking with friends and/or my dog (Phoebe), riding my bike, and exploring NC area parks and trails. I started practicing Yoga almost two years ago and enjoy that challenge. I practice a few times a week at the YMCA where I also swim laps a couple times a week. I belong to a community group called The Great Raleigh Clean-up and spend time with them cleaning up trash around town. I've been delivering meals to community members with Meals on Wheels for over twenty years and enjoy connecting with the folks on my route every month.
