THIS SUNDAY

Adult Summer Series Begins!

"Hospitality as a Christian Spiritual Practice"

Both in the Old Testament and the New Testament, God calls believers to welcome the stranger. We find numerous examples in scripture of God's people modeling ways both to extend hospitality and to receive it. Jimmy Hulsey and John James will co-lead a discussion on how to live into hospitality as a congregation and as individuals.

10:30 - Worship **Graduation/Senior Sunday**

Come to worship and hear our seniors preach and help lead worship. Celebrate our grads after the service in Westminster Hall.

Church office will be closed for the week of June 8th for carpet installation in the main hallway. We may need some helping hands to move furniture after worship on June 7, so look out for an announcement in next week's newsletter. The office will remain open as usual this week, June 1-5.

Preschool Graduation Last Week CONGRATS TO OUR FOUR YEAR OLD CLASSES!

SESSION

IN CASE YOU MISSED IT LAST WEEK

Session Update: Highlights from the May 19, 2026 Meeting

- **Welcoming New Leadership and Members:** The Session unanimously sustained the nominations for the Class of 2029 Elders and Deacons and officially welcomed 12 confirmands to the Active Roll. We also noted the transition of the HMPC Corporation, with Barry Cobb re-elected as President, Caroline Smart as Secretary, and Harry Bond as Treasurer for the 2026-2027 year.
- **Superior Fiscal Performance:** The church continues to operate with exceptional financial discipline. As of April 30, the Year-to-Date (YTD) surplus stands at \$102K, which is \$27K **higher than the budgeted expectation**. This strength is driven by YTD revenue trending 1% ahead of budget and total expenses remaining 7.1% (\$23K) under budget.
- **Strategic Property Investment — HVAC Chiller:** In a major move to protect our facilities, the Session approved a **\$140,000 budget** for a new HVAC chiller system to replace the current end-of-life units. This strategy includes two chillers to ensure redundancy. Funding for this project will be a collaborative effort between the Finance Committee, the Preschool, and the Foundation.
- **ADA Bathroom and Exterior Maintenance:** The ADA bathroom project is nearing its final stage, with completion expected by the end of June pending tile and carpet delivery. Additionally, the Session is reviewing an \$18,000 estimate for painting exterior windows and trim to maintain the campus's integrity.
- **Future Staffing and Pastoral Care:** To ensure the congregation remains well-supported during our current transition, the Session approved the concept for a **part-time Parish Associate** position with the expectation a final job description will be presented to Session in June. Furthermore, in preparation for our next called leader, the Session approved a salary range of **\$110,000 to \$140,000** for the next Senior Pastor/Head of Staff. This range is in line with other area churches.
- **Mission and Vision Goal Prioritization:** Following the completion of the Mission Study, the Session has prioritized four key goals for the coming year: 1) Expanding community connections, 2) Deepening relationships with mission partners, 3) Improving spiritual vitality/education, and 4) Innovating worship to attract younger generations. Committees have been tasked with developing specific SMART objectives for each.
- **Preschool Performance:** The Preschool continues to be fully enrolled and is running a YTD surplus of \$80K, which is \$39K ahead of budget.
- **Anti-Racism Policy:** In alignment with the Book of Order, a three-person subcommittee (Grace Hutchinson, Barry Cobb, and Ken Krause) has been formed to draft an official anti-racism policy for the church. The anti-racism policy of the Presbyterian Church (U.S.A.) declares that racism is a sin against humanity and God, inherently contrary to the teachings of Jesus Christ. It mandates that all church governing bodies adopt active anti-racism policies.

HMPC Sets Trend With “Make It This Summer!”

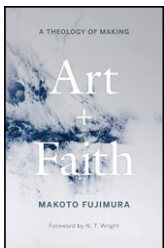

On May 11, just three weeks after we announced our summer worship theme as “Make it This Summer” to celebrate the creative spirit God has given all of us, our local *News and Observer* paper ran an article entitled *Why Creative Retreats Are The Biggest Travel Trend in 2026—From Knitting to Painting To*

Writing. The article states, “Creative retreats are shaping up to be one of the defining travel trends of 2026, with more travelers swapping pool-side vacations for trips built around making something — whether that’s knitting, painting, writing, photography or ceramics. The shift accelerated after 2020, when many people picked up creative hobbies during long stretches at home and never put them down. Now those passions are hitting the road. Stitchtopia, one of the largest craft holiday providers, has reported a 55% increase in passenger volume since 2019, along with 254% growth in yarn-related trips alone. The pull isn’t purely creative. Paula Redmond, one half of Creative Restoration, told *The Independent* that hobby-based holidays can support mental health and nervous system regulation by giving travelers a way to rest without abandoning the productive part of themselves.”

I don’t doubt that explanation as true, but I do doubt that it’s the whole truth. I suspect it’s no coincidence creative retreats are blossoming because we all see the human creative impulse and essence being uploaded into artificial intelligence. Do we have value beyond what we can teach AI, and for any greater purpose than to have AI become more proficient than we are? Is our creative impulse indeed from God the Creator, or is it an electronic impulse that can be reproduced by zeroes and ones in data centers?

This summer, we’re going to celebrate creativity —what has been uniquely human and uniquely individual in each of us—our voices, our vision, our dialects. In our submersion in our own experiences of creativity and our study of others’ creativity, we’ll look together at Fujimora’s “theology of making” and see if we agree that it’s more faithful to the Creator as a foundation for ministry, rather than the “theology of plumbing” that tells us we need to fix the world.

During the month of June, we will have a congregational art show, and we have lots of great arts and crafts to share from our Hudson community! Come hang out during our 9:30 hour and after worship in Westminster Hall and learn what has inspired people worshipping around you to create.

In July, we’ll explore the creativity of music for worship and in worship. **Fill out [this Google form](#)** as we’ll look for ways to incorporate your favorite hymns, carols and songs in our worship services. For August, consult our reading list (below). One of the books was just released as a Netflix movie, *Remarkably Bright Creatures*. You can read the book or see this and get the gist. Each novel will form the sermon theme as heard through the gospel that constantly proclaims, God is doing a new thing.

In us. At Hudson Memorial. In our world.

- Pastor Marguerite

As part of our summer worship theme, August will be focused on literature. Pastor Marguerite has created an adult summer reading list for you to prepare for the literature portion of the summer. Enjoy!

Mona's Eyes - Thomas Schlessler

Pearce Oysters - Joselyn Takacs

Remarkably Bright Creatures - Shelley van Pelt

The Violin Conspiracy - Brendan Slocumb

May & June Tend My Sheep Offering - Raleigh Rescue Mission

In May and June we are collecting men's boxer brief underwear in all sizes, men's sizes M-XL white t-shirts, toothpaste, and wide-tooth and fine-tooth combs for Raleigh Rescue Mission. For nearly 60 years, the Raleigh Rescue Mission has served those experiencing homelessness in our community - offering shelter, hope, and the love of Christ to more than 750,000 men, women, and children. Through comprehensive life programming and a steadfast commitment to breaking the cycle of poverty, Raleigh Rescue Mission walks alongside individuals and families toward lasting transformation.
